

# SERVE ONE ANOTHER IN LOVE

GALATIANS 5:13

At Crossroads, our desire is to help each person grow personally, connect relationally, and engage missionally. Our hope would be that as each person is growing and connected, that they would also be serving the body. Each part of the body is important, and, by God's grace, each of us can play a specific and integral role here!

Not sure what your role could possibly be? Wondering how to figure that out? We are working on putting a class together to help you sort out this better, and we'll let you know when this comes available. In the mean time, Wes or Levi would love to help you think through what your gifts are and how best to utilize them here at Crossroads Napoleon. Feel free to call or email either of them for help in this area.

Once you've prayed about and feel like your passions and gifts line up with a particular ministry area, we'd encourage you to contact the staff member inside this pamphlet to talk more about the ministry opportunities that may best fit you.

We look forward to hearing from you and helping you plug into an area of service here at Crossroads where you can best use your gifts to glorify God!

## SERVING AT CROSSROADS

## CROSSROADS SERVICE OPPORTUNITIES

As committed followers of Christ, we should be concerned with loving God and loving others. One important way to show this love is by serving others. We have a number of ministries through which you can serve the body of Christ.

*"Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other. In his grace, God has given us different gifts for doing certain things well."* Romans 12:4-6
